Historical links between Japan and Western Australia

Ms Deidre Willmott, Director, Perth USAsia Centre

- Japanese support of Western Australian community and industry has a long history and started with the pearling industry (as far back as 1880)
- in a first for Australia the Japanese built a hospital for Broome in 1909 led by Dr Tadashi Suzuki.

Innovation and collaboration – Japan and WA

Ms Deidre Willmott, Non-Executive Director, Australia Post

The Zone Above: the Indo-Pacific Era in Space

As the investment centre of gravity related to space shifts towards leading economies in the Indo-Pacific, we must think together about shared opportunities, challenges and risks around the 'Zone Above'

8 OCTOBER 2018
